1. When I was just a little boy
B **B Am Gm**
Well I would go out to play
And I would wander so far from home
That I would lose my way
And I'd call on my momma to help me
and she'd come right away
To help me get back home where I wanna be
And here's what I say

- F** **C**
R1: Momma hold my hand
B **B Am Gm** **F**
I don't think I can cross this road by myself
Momma hold my hand
I don't think I can cross this road by myself

- F** **Am**
2. And when I was a young man
B **B Am Gm**
I would go astray
Didn't want nobody to hold my hand
Wanted to make my own way
Dm **Am**
And my momma would come out to help me
Dm **Am**
But I pushed her away
Dm **Am**
Cause I just wanted to be on my own
B **B C**
And here's what I say

- F** **C**
R2: Momma leave my hand
B **B Am Gm** **F**
I've been waiting to cross this road by myself

Cross this road by myself

3. Well now that I'm a grown man
B **B Am Gm**
And I've moved away
I got a house a 9to5
And my wife got a kid on the way
Momma told me that life's gonna gear of
Take it day by day
But every once in a while I get scared
And I wish I could say

- F** **C**
R3: Momma hold my hand
B **B Am Gm** **F**
