

Missing Piece

Aloe Blacc

I wish I could solve you
But I don't know where to start
All my dreams involve you
Taking a piece of my heart

You've got reasons I don't understand
For some reason I'm not part of your plan
I've got feelings but don't know where I stand
'Cause you can't see how we fit

I'd spend my life trying to put you together
You are the most beautiful puzzle ever
So when you're lost or feel incomplete
I can be your missing piece

Smoothing out my edges
So I can trace all of your curves
Hoping that you'll get this
'Cause I'm stumbling over my words

You've got reasons I don't understand
For some reason I'm not part of your plan
I've got feelings but don't know where I stand
'Cause you can't see how we fit

I'd spend my life trying to put you together
You are the most beautiful puzzle ever
So when you're lost or feel incomplete
I can be your missing piece

I can't force you to love me
I just want you to see
When the pieces all fall in place
It's a picture of you and me

And I'd spend my life trying to put you together
You are the most beautiful puzzle ever
So when you're lost or feel incomplete
I can be your

I'd spend my life trying to put you together
You are the most beautiful puzzle ever
So when you're lost or feel incomplete
I can be your missing piece

I can be your missing piece
Yeah
I can be your
Missing piece

I can be your missing piece
Yeah
I can be your
Missing piece
