

# Want Me

Aloe Blacc

Don't you need me?  
Don't you want me?

You want me like I want you  
Need you  
Don't you want me like I want you  
Don't you need me  
I need for you to want me like I want you

Maybe I shouldn't say  
How I feel  
Cos I was feeling so for real  
You may not want to hear  
What I'm gonna share with you  
Do you think possibly  
We could do something exclusively  
Just you and me  
I know it would be  
So nice

You want me like I want you  
Need you  
Don't you want me like I want you  
Don't you need me  
I need for you to want me like I want you

Don't you need me?  
Don't you want me?

Don't you need me?  
Don't you want me?

This ain't a love song  
Don't get it twisted  
Imma say it one more time if you missed it  
This ain't a love song no not this shit  
This about you sweating at me Im a get that if you got what I want  
See I'm not a punk girl why you gotta fall?  
If you please don't tease me  
I ve done her just throw it the floor and believe me I know how you get down  
when you gets down  
They say it gets best by the fifth round  
Ring the bell I come out swinging  
This thing in your face is a one night I'm out when the sun come up  
After I smash on that shit it's a monster truck  
So who want's to fuck? Line 'em up single file  
Just get undressed put your VS in a pile  
Let me see you smile  
If you look good you might But if it ain't worth then pennies, I don't want  
any  
Not even if I'm livingoff Henny or blazing the kush  
How you walking funny for days when I push  
Beautiful the way that I stays in the bush  
To make you want me like I want you  
This ain't a love song I'm tryna put it on you  
The love song I'm a put it on you
