

Work It Out

Aloe Blacc

After all that we've been through
All the trouble with you, we gon' work it out
Yeah, what I say

After all that we've been through
All the trouble with you, we gon' work it out
I ain't lying to you

After all that we've been through
All this stuff up with you, we gon' work it out
Yeah, now you hear what I say

After all the trouble with you
All that we've been through, we gon' work it out
Yeah, yeah
Yeah, yeah
Yeah, yeah
Wooh

Doo
Doo do, yeah
Doo doo do
Doo do do
Woohooohoo

After all that we've been through
All the trouble with you, we gon' work it out
Ye-e-ah, ye-e-ah, yeah, yeah

All the trouble with you
All that we've been through, we gon' work it out

After all the trouble with you
All that we've been through, we gon' work it out
We gon' work it out, we gon' work it out

All the trouble with you
All that we've been through, we gon' work it out

Woohooohooo
Ahoohooh yeahoo
Ahoohooh oohoohoo

We gon' work it out
We gon' work it out
We gon' work it out
