Don't Hurt Yourself

Aloha from Hell

You always take a different way
Without facing consequences
I wonder if your hide away
Has high fences

Should I try and break those chains
Get inside your deepest feelings
The anger running through your veins
Won´t stop the bleeding

Don´t hurt yourself
Don´t hurt yourself
´Cause you are gorgeous
Don´t hurt yourself
Don´t hurt yourself
No more

I wish that I could understand
The reason for your self-destruction
Driven by your own demands
You seek distraction

A moment and the pain is gone
A feeling that is most relieving
And this will keep going on
Can´t stop the bleeding
Stop the bleeding

Don´t hurt yourself
Don´t hurt yourself
´Cause you are gorgeous
Don´t hurt yourself
Don´t hurt yourself
No more

Underneath the scars
A life so young
But the wounds
Can heal on anyone

Don´t hurt yourself
Don´t hurt yourself
´Cause you are gorgeous
Don´t hurt yourself
Don´t hurt yourself
No more
