

Another You

Alok

Am I to blame?
Is 'leave me lonely' written on my face?
Did I try too hard to make you stay?
Guess I let my hopes get high again

You say that you love me but you don't mean it
You're touching my body but I don't feel it
Got so many questions in my head
Nightmares in my bed from you
From you

I've cried enough
Tears over us
'Cause there's so many flames
Under the sun
If you don't want me, baby
You don't want me, baby
If you're not the one
I'll find me another you

I've cried enough
Tears over us
'Cause there's so many flames
Under the sun
If you don't want me, baby
You don't want me, baby
If you're not the one
I'll find me another you

No, no, no, no, no, no, no, no, no
No, no, no, no, no, no, no, no, no
No, no, no, no, no, no, no, no, no
No, no, no, no

It took some time
For me to figure out that I'll be fine
Without you there to keep me warm at night
I guess you never were my ride-or-die

You say that you love me but you don't mean it
You're touching my body but I don't feel it
Got so many questions in my head
Nightmares in my bed from you
From you

I've cried enough
Tears over us
'Cause there's so many flames
Under the sun
If you don't want me, baby
You don't want me, baby
If you're not the one
I'll find me another you

I've cried enough
Tears over us
'Cause there's so many flames

Under the sun
If you don't want me, baby
You don't want me, baby
If you're not the one
I'll find me another you

No, no, no, no, no, no, no, no, no
No, no, no, no, no, no, no, no, no
No, no, no, no, no, no, no, no, no

If you're not the one
I'll find me another you
