

# BLACK WIDOW

Alok

I'm gonna love you, until you hate me  
And I'm gonna show you, what's really crazy  
You should've known better, than to mess with me harder  
I'm gonna love you, I'm gonna love you  
Gonna love you, gonna love you  
Like a black widow, baby

Like a black widow, baby  
Like a black widow, baby

I'm gonna love you, until you hate me  
And I'm gonna show you, what's really crazy  
You should've known better, than to mess with me harder  
I'm gonna love you, I'm gonna love you  
Gonna love you, gonna love you  
Like a black widow, baby

Like a black widow, baby
