Rapture

Alok

The night I laid my eyes on you
Felt everything around me move
Got nervous when you looked my way
But you know all the words to say

Then your love slowly moved right in
All this time, oh my love, where you been?

Mi amore, don't you know
My love I want you so
Sugar, you make myself complete
The rapture tastes so sweet

La, la-la-la-la-la-la
La-la-la-la-la-la
La, la-la-la-la-la-la
La-la-la-la-la-la, oh

I'm mesmerized in every way
You keep me in a state of daze
Your kisses make my skin feel weak
I'm always melting in your heat

Then I soar like a bird in the wind
Oh, I glide as I'm flying through heaven

Mi amore, don't you know
My love I want you so
Sugar, you make myself complete
The rapture tastes so sweet

La, la-la-la-la-la-la
La-la-la-la-la-la
La, la-la-la-la-la-la
La-la-la-la-la-la, oh

Mi amore, don't you know
My love I want you so

La, la-la-la-la-la-la
La-la-la-la-la-la
Sugar, you make myself complete
The rapture tastes so sweet
