Table For 2

Alok

You don't need a millions reasons
To smile without a reason
I've got one, will you stay?
And it's always the perfect season
To never stop believing
Love works in mysterious ways

It's raining in the desert
I heard it on the news
The sun won't even shine no more
Since I'm not there with you
I'll pick you up with flowers
Roses red or blue
A mattress and a table just for 2

A table just for two
It's only me and you
I'll stay here forever
I promise that is true
A table just for two
It's only me and you
I can make you breakfast
And you can be my muse

Just four walls without your laughter
A book with empty chapters
A dock without a bay
Tell me what is the meaning
Of life without this feeling
And the sky is grey

It's raining in the desert
I heard it on the news
The sun won't even shine no more
Since I'm not there with you
I'll pick you up with flowers
Roses red or blue
A mattress and a table just for 2

A table just for 2
It's only me and you
I'll stay here forever
Promise that it's true
A table just for 2
It's only me and you
I can make you breakfast
And you can be my muse
