

Hey Jack

Alpha Blondy

Looking through my windows My foggy windows See them fighting d
own the road I wonder why they are fighting for If you can hear
me I'm calling you my friend

Hey Jack ! Come along Learn from the street now, You got to lea
rn from the street I say learn from the street Then you'll find
your way

Through my foggy windows I see them struggling down the road Th
e greed of gold killing their soul Jah sword of justice Shall j
uste wipe them away...

Hey Jack... come along Love is down the street I say love is do
wn the street Love is down the street Just find your way

Sing along... All right now Rastafari all right now All right n
ow Rastafari all right now Hey Jack come along All right now Ra
stafari all right now...
