

Peace In Liberia

Alpha Blondy

We want peace in Liberia.
Peace in Monrovia.
We want peace in Liberia.
Peace in Monrovia.

'Cause Babylon shall not rise again.
Oh, Babylon shall not rise again.
Babylon shall not stand again.
Babylon shall not stand again.

'Cause every day they talking about,
The Liberian civil war.
And everywhere over Jah land,
Muddy rivers of blood, oh Lord.

No matter who wins - Liberia is crying.
No matter who loose - Liberia still crying
No matter who's right - they've got to stop the fight.
No matter who's wrong - the devil still strong.

We want peace in Liberia,
Peace in Monrovia.
We want peace in Liberia,
Peace in Monrovia.

'Cause Babylon shall not rise again.
And Babylon shall not rise again.
Babylon shall not rise again.
Oh, Babylon shall not stand again.
Babylon shall not stand again.

We calling on Jesus Christ - to save I and I.
We calling on Jesus Christ - to save I and I.
We calling on Allah - to save I and I.
We calling Adonäi - to save I land I.

Cry.. cry Liberia..
Cry.. cry Liberia..
Cry.. cry Liberia..
Cry.. cry Liberia..
