

Rock and Roll Remedy

Alpha Blondy

We won't sit doing nothing But playing big stars, oh no... Some
thing got to be done No one is alone No brothers on the battle
field No soldiers on their knees, bleeding The world is in jeop
ardy People can't you see !!!

Blazing horizon, you give me thrills Heat waves, moon waves In
the night Blazing horizon, you give me thrills Heat waves, moon
waves In the night...
