

Super Powers

Alpha Blondy

Super
Super Power
Subjecting hell
out of Africa yeah
Super - super - super
Super Power
Subjecting hell
out of Africa

No more
machine gun drop
No more, no more, no more
No more bounds
So no more
political pressure
No more, no more, no more
economical blackmail

The Super
Super Power
Subjecting hell
out of Africa

We don't want freedom if
gonna misfell
We don't want
the nuclear bombs

So na-no-no
tchatchira don't want
Je buy an hitman
to destroy sweet earth-earth yeah

Go away you and your CIA
Go away you and your CIA
Go away you and your CIA
Go away you and your CIA

Super
Super Power
Subjecting hell
out of Africa

In Africa we need
a certain branded peace
In Africa we want
mighty brotherhood

We don't want
We don't need
We don't want
Gonna misfells

We don't want
the nuclear bombs

So na-no-no

tchatchira don't want
Je buy an hitman
to destroy sweet earth-earth yeah

We don't wanna see
you and your KGB
We don't wanna see
you and your radar beam

We don't wanna see
you and your KGB
We don't wanna feel
with you and your radar beam
(That's why I'm sayin')

We don't want
We don't need
We don't want
Gonna misfells

We don't want
the nuclear bombs

So na-no-no
tchatchira don't want
The electronic one
to destroy sweet earth-earth yeah

So power
to the people
Give the power
to the people
So power, power, power
to the people now
The mighty power
to my people

Super
