

## The End

**Alpha Blondy**

satellites up in this sky spying down on the earth it's unclear  
fear hanging over my head could be today hee or would be tomorrow  
them all will even die waik up to the myster!!! allah laké  
we need u come back to earth and save the world allah laké the  
sun won't shine no allah laké lighth up my way

may the forces be with you and may the forces be with me too that  
train fire's burning down the battle field people will lay down  
and die won't even have the time to cry because of radio activity  
all over in the air allah laké we need u come back to earth and  
save the world allah laké the sun won't shine noo allah  
lanké light up my way

so worst than HIROSHIMA it will be worst worst worst worst than  
NAGAZAKI so children all over the world oooh pray with me in peace and harmony
