Say boy  
Say girl  
You got it all  
Believe me

Want it so bad  
What makes you think  
You can have it all

I just wanna, I just wanna, oh  
I just wanna make you  
I just wanna, I just wanna, oh  
I just wanna make you

Say boy  
Say girl  
You got it all

Want it so bad  
What makes you think  
You can have it all

I just wanna, I just wanna, oh
