

# Now You Know

## Alphabeat

I could tell you on the telephone  
Or maybe face to face if we were alone  
Could write you a letter or a poem  
But here's a little song to bring it home

You dress like you're 20 though you're twice as old  
You're so smooth I can't get a hold  
You're on your phone like a kid in school  
To read about what's hip and cool

Now you know  
Now you know, yeah  
Had it coming  
Wo-oh-ow  
I can't say "I told you so" but  
Now you know  
Now you know

I look at your face, do you smile or cry?  
I look a little closer for a tear in your eye  
Say, how do you sleep when you turn out the light?  
Buy you a mirror you can look at a lie

Now you know  
Now you know, yeah  
Had it coming  
Wo-oh-ow  
I can't say "I told you so" but  
Now you know  
Now you know

I'm not saying I'm that much better  
Maybe we're just not great together  
But your sense of humour is under the weather  
Don't wear your jokes on a sweater

Now you know  
Now you know, yeah  
Had it coming  
Wo-oh-ow  
I can't say "I told you so" but  
Now you know  
Now you know

Now you know  
Now you know, yeah  
Had it coming  
Wo-oh-ow  
I can't say "I told you so" but  
Now you know  
Now you know

Hey, hey, hey

Hey, hey

Hey, hey

Hey, hey
