

Dance With Me

Alphaville

Am **C** **G** **D**

Am

C

When the heat of light melts into the speeding time

G

D

When the king returns from the ivory city side.

Am

Let the magnet-images wave the signals

C

flashing oh so fast

G

D

Then you'll meet me there under the moonshine

C

In a lover's heaven

G

Hm **D**

We'll keep our promises at last

C

In a lover's heaven

G

Hm **D**

We'll forget the past

F

Do you want to dance with me

C

Am

Through one of those lonely nights

F

It's more than a dream, maybe

C

Am

We're reaching the gardens of delight

Do you want to dance with me

Through one of those lonely nights

It's more than a dream maybe

We're drowning in empires of delight

In the stardust dawn underneath the crystal roofs
where the solar boys are playing games they never lose
where the sailors are swaying
Through the lightdomes shining in the sky
There you'll meet me, darling, anyway

In a lover's heaven

We'll keep our promises at last

In a lover's heaven

We'll forget the past

Do you want to dance with me

Through one of those lonely nights

It's more than a dream, maybe

We're reaching the gardens of delight

Do you want to dance with me

Through one of those lonely nights

It's more than a dream maybe

We're drowning in empires of delight

In a lover's heaven

We'll keep our promises at last

In a lover's heaven

We'll forget the past

Do you want to dance with me
Through one of those lonely nights
It's more than a dream, maybe
We're reaching the gardens of delight
Do you want to dance with me
Through one of those lonely nights
It's more than a dream maybe
We're drowning in empires of delight

Do you want to dance with me
Through one of those lonely nights
It's more than a dream, maybe
We're reaching the gardens of delight
