

Forever Young

Alphaville

C **G** **Ami**
 Let's dance in style, let's dance for a while
 F **G**
 Heaven can wait we're only watching the skies
 Dmi **F**
 Hoping for the best, but expecting the worst
 Ami
 Are you going to drop the bomb or not?

C **G** **Ami**
 Let us die young or let us live forever
 F **G**
 We don't have the power, but we never say never
 Dmi **F**
 Sitting in the sandpit, life is a short trip
 Ami
 The music's for the sadman

C **G** **Ami**
 Can you imagine when this race is won
 F **G**
 Turn our golden faces into the sun
 Dmi **F**
 Praising our leaders, we're getting in tune
 Ami
 The music's played by the madman

C **G**
 Forever Young
 Ami **F**
 I want to be Forever Young
G **Dmi**
 Do you really want to live forever?
F **G**
 Forever, and ever
C **G**
 Forever Young,
 Ami **F**
 I want to be Forever Young
G **Dmi**
 Do you really want to live forever?
F **G** **C**
 Forever Young.

C **G** **Ami**
 Some are like water, some are like the heat
 F **G**
 Some are a melody and some are the beat
 Dmi **F**
 Sooner or later they all will be gone
 Ami
 Why don't they stay young?

C **G** **Ami**
 It's so hard to get old without a cause
 F **G**
 I don't want to perish like a fading horse

Dmi **F**
Youth is like diamonds in the sun

Ami
And diamonds are forever

C **G** **Ami**
So many adventures couldn't happen today

F **G**
So many songs we forgot to play

Dmi **F**
So many dreams are swinging out of the blue

Ami
We let them come true
