Point of Know Return

Alphaville

The gentle taste of orange a garden of fruit and flowers is what i embrace is what i embrace

in ocean blue eyes
in each one's an island
i'm stranded within your love
i'm stranded within your love

and as i fall deeper than ever
and as we kiss
we're each other's guide
we're each other's guide
into the unknown

where men do not return where men do not forget the sweetest suicide as if we don't exist

where men do not return where men do not forget the sweetest suicide as if we don't exist but live

but live

the presence of angels the inscense of Indochine the quietness of movements the slowness of Africa

a point of know return no way out of here nothing compares to you anything goes

and as i breathe
deeper than ever
i'm coming home
i'm coming home to the unknown

where men do not return where men do not forget the sweetest suicide as if we don't exist

where men do not return
where men do not forget
the sweetest suicide
as if we don't exist but live

but live
