

Crunches

Alpine

Hey, oh oh oh
Hey, oh oh oh
Hey, oh oh oh

You said I could never be the courageous one
But lover, I left my heart (Hey, hey, hey)
Lover, I left my heart
For you

And I'm about to lose my head
I'm about to lose my head
I'm about to lose my

Hey, Hey
I don't wanna run away
Hey, Hey
I don't wanna run away
Hey, Hey
I don't wanna run away
Hey, Hey
I don't wanna run away
Hey, Hey
I don't wanna run away
Hey, Hey
I don't wanna run away
Hey, Hey
I don't wanna run away

I fall back in your arms but you make me beg
But lover, I left my heart (Hey, hey, hey)
Lover, I left my heart

And I'm about to lose my head
I'm about to lose my head
I'm about to lose my head
I'm about to lose my head
I'm about to lose my

Hey, Hey
I don't wanna run away
Hey, Hey
I don't wanna run away
Hey, Hey
I don't wanna run away
Hey, Hey
I don't wanna run away
Hey, Hey
I don't wanna run away
Hey, Hey
I don't wanna run away
Hey, Hey
I don't wanna run away

Collecting cold nights
With you
In the future
I knew
You said you loved me
I flew
It's lies and lust that I'm feeling

Hey, Hey
I don't wanna run away
Hey, Hey
I don't wanna run away
Hey, Hey
I don't wanna run away
Hey, Hey
I don't wanna run away
Hey, Hey
I don't wanna run away
Hey, Hey
I don't wanna run away
