

Damn Baby

Alpine

Yeah, I'm here
And I've been willing to take this leap for a while now
Yeah, I'm here
And I've been willing to jump right in for years now

Hey, I beg of you
Help me out
Help me out
I beg of you
Lure me out
Lure me out
I'm waiting for the day
When this gets easier
I'm waiting for the day
When this gets harder

Yeah, I'm here
And I've been willing to take this leap for a while now
Yeah, I'm here
And I've been willing to jump right in for years now

Yeah, oh
Damn baby
Damn baby
Yeah, oh
Damn baby
Damn baby
Hey, don't even try
To dream up something that we are not
An animal
Predator
With most sense it's true I lure
I'm waiting for the day
When this gets easier
I'm waiting for the day
When this gets harder

Yeah, I'm here
And I've been willing to take this leap for a while now
Yeah, I'm here
And I've been willing to jump right in for years now

Yeah, oh
Damn baby
Damn baby
Yeah, oh
Damn baby
Damn baby

Yeah, I'm here
And I've been willing to take this leap for a while now
Yeah, I'm here
And I've been willing to jump right in for years now

Yeah, I'm here
And I've been willing to take this leap for a while now
Yeah, I'm here

And I've been willing to jump right in for years now

Yeah, oh
Damn baby
Damn baby
Yeah, oh
Damn baby
Damn baby
