

## Standing Not Sleeping

Alpine

Oh, [?] I have to [?]  
[?] you're sweeter than me  
Hotter than the gravel stickin' to my feet  
[?] nothing for me  
Nothing for me  
Nothing for me  
Nothing for me  
Nothing

Darlin', it won't be long  
Before I'm home  
And you are there  
And all I have everything I need  
It won't be long  
Before I want  
To miss you  
[Connection?]

Turn the lights [?]  
I will see [?]  
[?]  
I can wait [?]
