

Up For Air

Alpine

You're the one who's gonna make me lose control
Breathe desire, hard and cold, into my soul

When did you learn to say "Hello"?
When did we forget - get to take it in?
How long till we come up for air?
When we have it now?

You're the one who's gonna make me lose control
Breathe desire, hard and cold, into my soul
You don't know me
I don't know you
You're the one who's gonna make me lose control

Closing my eyes, I hold my breath
Couldn't you try - try to turn me on?
Should I fall back and let you go?
When we have it now?
When we have it now?

You're the one who's gonna make me lose control
Breathe desire, hard and cold, into my soul
You don't know me
I don't know you
You're the one who's gonna make me lose control

We are unending
We are unending
We are unending
We are unending
We are
We are
We are
We are
We are
We are
We are unending
