

Deadcrush

Alt-J

Extraordinarily pretty teeth
Beauty lingers out of reach
You're my DC oh Lee, oh
Man Ray went cray cray over you
Capturing but never captured
You're my DC oh Lee, oh

Swim low
In a backyard in the night

Anna Bolina
Maid of honour
Not your sister, fearful temper
You're my DC oh Anna, oh
Unknown artist
Took your likeness
Henry Tudor left you lifeless
You're my DC oh Anna, oh

Keepa, keepa, keepa, keep me damn down
Let it low
Let me know where you go
Papa, papa, papa
Get me down
Deep deep down
Pablo let me know

If you don't have the ace of hearts
My dear, you're a lost man
Falcon for you Anna from the left arm of the falconer
Anna, Anna, Anna, Anna L'Arlésienne
