

## Before Tomorrow Comes

Alter Bridge

I couldn't sleep I had to listen  
To a conscience knowing so well  
That nothing comes from indifference  
I look inside of myself

Will I find some kind of conviction?  
Will I bid the hero farewell?  
Will I be defined by things that could have been?  
I guess time will only tell  
I guess time will only tell

So don't let it be  
Before tomorrow comes  
Before you turn away  
Take the hand in need  
Before tomorrow comes  
You could change everything

I curse my worth and every comfort  
That blinded me for way too long  
Damn it all I'll make a difference from now on  
Cause I'm wide awake to it all  
Cause I'm wide awake to it all

So don't let it be  
Before tomorrow comes  
Before you turn away  
Take the hand in need  
Before tomorrow comes  
You could change everything

Does anyone care it ain't right what we're doing?  
Does anyone care it ain't right where we're going?  
Does anyone dare justify how we're living?  
Does anyone here care at all?

So don't let it be  
Before tomorrow comes  
Before you turn away  
Take the hand in need  
Before tomorrow comes  
You could change everything

We could be so much more than we are  
We could be so much more than we are  
We could be so much more than we are  
Oh this much I know
