

# Silver Tongue

Alter Bridge

Sitting in my ivory tower  
Invincible to fall  
Some would say my final hour  
As you scale the wall

Step inside  
I dare you all  
And breathe the lies  
And heed the call

When this all is said and done  
I will have my way  
And you will take the blame

You're over the line  
Under the gun  
I am the reason  
For what you've done  
Tooth of a crime  
You can't outrun  
Under the spell of my silver tongue (Yeah)

I swear to God I'll find a way  
To prove I still belong  
I'd rather watch it burn away  
Than say that I was wrong

So step inside  
I dare you all  
And breathe my fire  
And heed my call

You're over the line  
Under the gun  
I am the reason  
For what you've done  
Tooth of a crime  
You can't outrun  
Under the spell of my silver tongue

You're over the line  
Under the gun  
I'll keep on scheming  
For what's to come  
Tooth of a crime  
You can't outrun  
Under the spell of my silver tongue

This alliance built on fear and rage  
Ends in violence if I have my way

Fear  
Spite  
Lie to divide us  
Hate  
Strife  
Bring decay

You're over the line  
Under the gun  
I am the reason  
For what you've done  
Tooth of a crime  
You will not outrun  
Now you're under the spell of my tongue

You're over the line  
Under the gun  
I am the reason  
For what you've done  
Tooth of a crime  
You can't outrun  
Under the spell of my silver tongue
