Could you change your mind?  
Could you change my life?  
'Cause it's not good at all  
No not good at all  
Would you come along?  
Would you take me on?  
Or else I'll just fall  
Or else I'll just fall

Should you be so nice  
Should you be so kind  
I'll be not bad at all  
No not bad at all  
Please don't let me fall  
I'll be not bad at all

I can't can't stand it  
No, I can't can't stand it  
No, I can't can't stand on my own

Could you change your mind?  
Could you change my life?  
'Cause it's not good at all  
No not good at all  
Would you come along?  
Would you take me on?  
Or else I'll just fall  
Or else I'll just fall

Should you be so nice  
Should you be so kind  
I'll be not bad at all  
No not bad at all  
Please don't let me fall  
I'll be not bad at all

I can't can't stand it  
No, I can't can't stand it  
No, I can't can't stand on my own

Could you?

No, it's not good at all  
Would you?  
Or else I'll just fall  
Or else I'll just fall  
Should you  
I'll be not bad at all  
No, I'm not bad at all  
At all
