Enter the vast arena

Enter the vast arena, arena

Where do you, where do you, where do you go from here?

Can't you see? don't you know? don't you know the way?

Forget the past and it'll go away, away, away

Remember? remember? remember?

Enter the vast arena

Enter the vast arena, arena

Where do you, where do you, where do you go from here?

Can't you see? don't you know? don't you know the way?

Forget the past and it'll go away, away, away

In my head i have a dream, a dream for you for me

It's a nice dream, you'd like it

We can go to, yes we can go to the arena

Enter the vast arena

Enter the vast arena, arena
