

Small Without Me

Altered Images

My foolish heartbeat is racing inside
Don't think I don't know I have been taken for a ride
Yes you make me laugh you make me cry
And in the end thats all a lie's
Time to cut you down too size

CHORUS:

Oh boy you're so small without me
You make me feel as tall as a tree
You don't know nothin' at all
You're never home so don't even call
Oh boy you're so small without me

Kiss cover a torture you gave up at once
Those messed up feelings I can't disguise
Yes you make me laugh you make me cry
I've made my choice got to break these ties
Time to cut you down too size

CHORUS:

you spin me round and round but boy you let me down...
(repeat x2)

CHORUS:

you spin me round and round
small without me
you spin me round and round
small without me
you spin me round and round
small without me
to fade...
