

# Can I Change My Mind

Ellis, Alton

She didn't bat an eye  
As I packed my bags to leave  
Thought she would start to cry  
Stood around my room and grieve

You're the girl who fooled me this time  
Acted like I was the last thing on your mind  
I would like to start all over again  
Baby, can I change my mind

As I took one step  
Towards that open door  
Knowing all the time  
Oh lord, I just didn't want to go

She didn't give me no sign  
Nothing that would make me change my mind  
And I would like to start all over again  
Baby, can I change my mind

Oh I played my game  
Many times before  
But people, let me tell y'all  
Oh I never reached the door

But ooh, the winds is howl tonight  
I keep lookin' back, but my baby's not in sight  
And I would like to start all over again  
Baby, can I change my mind  
I just wanna change my mind
