

## Soon Enough

Altons, The

If you could find time, would you show me love?  
Ooh, would you tell me, tell me, tell me who's been having you?  
All of my life, passing me by, is it easy?  
For you, I'd paint the sky to what you like  
Ooh, baby, soon enough  
Soon enough

If you feel alone, please dry those eyes  
Ooh, darlin', soon enough  
And what could I do if you need me, girl?  
Ooh, would you show me, show me, show me  
Who's misleading you  
All of my life wondering what would I do  
If you leave me, ooh  
For you, I'd paint the sky to what you like  
Ooh, baby  
Soon enough (soon enough)  
Soon enough (soon enough)

If you feel alone, please dry those eyes  
Ooh, darlin' soon enough (soon enough)  
Ooh, tell me  
(Would you do it again?)  
Oh, baby, baby  
(Would you do it again?)  
Mm, darlin', please believe me, ooh  
For you, I'd paint the sky to what you like  
Ooh, baby, soon enough (soon enough)  
Soon enough (soon enough)

If you feel alone, please dry those eyes  
Ooh, darlin', soon enough (soon enough)  
Soon enough (soon enough)  
Ooh, tell me  
Soon enough  
Soon enough  
And if you feel alone, don't you  
Dry those eyes  
Ooh-oooh, ooh, ahh  
Baby, baby, baby, baby, soon girl, I'm coming home  
Coming home
