

Your Light

Altons, The

Said you'd be there, through it all
That you'd catch me when I fall
Now there's nothing but an empty home
I sit and sing, so l, I don't feel alone

I need (I need)
I need (I need)
I need your light to guide me
I need (I need)
I need (I need)
I need your light to guide me
Your light to guide me home

Now my days, they melt away
Your love for me was led astray
Now there's nothing but an empty home
I sit and sing, so l, I don't feel alone

I need (I need)
I need (I need)
I need your light to guide me
I need (I need)
I need (I need)
I need your light to guide me
Your light to guide me home

A love like ours, it came and went
Heart is broken, money's spent
All I'm left with is an empty home
I sit and sing, so l, I don't feel alone

I need (I need)
I need (I need)
I need your light to guide me
I need (I need)
I need (I need)
I need your light to guide me
Your light to guide me home
Your light to guide me home
