

Nowhere To Hide

Aluna

I know you're always calling me
And I get that's friendly
But I'm catching these feelings hard
And I'm letting them get too far

But if I told you what I feel for you
Then there'd be nowhere for me to hide
And if you don't feel the same way too, babe
Then I don't, then I don't wanna know
Then I don't wanna know, no I don't
And if you don't
And if you don't
Then there'd be nowhere for me
And if you don't
And if you don't
Then there'd be nowhere for me

Classy
If you want it, I can switch and go nasty
Just say the word then girl I'll be a romantic
Let's catch a vibe, girl, we can chill and go party
Ah
