

Sneak

Aluna

I heard you wanna let me go
So let me know, yeah
'Cause if you wanna let me go
Then let me go, yeah

Use me
I gave it all to you
And everything was cool
And now you want a new thing
You don't know what to do
When you say that you're too used to me

Oh, yeah
Hollering, telling all your friends so everybody knows
Now you're in somebody else's bed
I still got your clothes, yeah
I know you're tired and bored
I know you're watching the door
I know my way to the end so (Yeah, yeah, yeah)

Ooh, don't play yourself fucking 'round on me
They only wanna bite of you
To get a little piece of me
Please make sure you know if you're gonna sneak
They only wanna bite of you
To get a little piece of me

If you're gonna, gon-, gon-, gon-, if you're gon-
If you're gonna, gon-, gon-, gon-, if you're gon-
If you're gonna, gon-, gon-, gon-, if you're gon-
If you're gonna, gon-, gon-, gon-, if you're gon-

I heard you wanna let me go
So let me know, oh, yeah
'Cause if you wanna let me go
Then let me go, yeah

Oh, yeah
Hollering, telling all your friends so everybody knows
Now you're in somebody else's bed

Ooh, don't play yourself fucking 'round on me

Please make sure you know if you're gonna sneak
They only wanna bite of you
To get a little piece of me

If you're gonna, gon-, gon-, gon-, if you're gon-
If you're gonna, gon-, gon-, gon-, if you're gon-
If you're gonna, gon-, gon-, gon-, if you're gon-
If you're gonna, gon-, gon-, gon-, if you're gon-

If you're gonna, gon-, gon-, gon-, if you're gon-
