

Ain't Nothin' Shakin'

Alvin Lee

Ain't nothin' shakin' but the leaves on the trees
The sun is shinin' in the sky - yeah, yeah
Ain't nothin' turnin' but the world's spinnin' free
Sun shine, shine on me - yeah, yeah

Ain't nothin' movin' but the earth in the sky
The rays are shinin' in the trees - yeah, yeah
Ain't nothin' burnin' but the sun is on fire
Sun shine, shine on me - yeah, yeah

Say who, won't you tell me who - who controls the sun - yeah, y
eah

Who, yeah tell me who now - who controls the sun - yeah, yeah

Ain't nothin' shakin' but the leaves on the trees
And the sun is shinin' in the sky - yeah, yeah
Ain't nothin' burnin' but the sun is on fire
Sun shine, shine on me - yeah, yeah

Who, won't you tell me who - who controls the sun - yeah, yeah
Who, yeah tell me who now - who controls the sun - yeah, yeah
