

Can't Stop

Alvin Lee

Can't stop, lovin' you - Can't stop - feelin' you
From the highest mountain - on a ragin' sea
Anywhere I go - you put a spell on me

Can't hide, the way I feel - Can't hide, the love is real
Anywhere I roam - like a rollin' stone
You are in my heart - I'll never be alone

Can't stop, can't stop, can't stop lovin' you

Can't stop, wanting you - Can't stop, the love is true
In a distant land - anywhere I find
You are in my heart - you're still on my mind

Can't stop, can't stop, can't stop lovin' you

Can't stop, can't stop, can't stop, can't stop
Can't stop, can't stop, can't stop lovin' you.
