

Give Me Your Love

Alvin Lee

Give me your love, I'm ready for you
Give me all of your love, babe - nothin' less will do
I want it all, here when I call - give me your love

Give me your love, show me you care
Give me all of your love, babe - all you can spare
I want it all, here when I call - give me your love

All of my love, I've saved for you
Give me a chance and I'll come through
I wanna hold you close to me - I wanna hear you say -
Give me your love, I'm ready for you
Give me all of your love, babe - nothin' less will do
I want it all, here when I call - give me your love

You're turnin' me on, you're turnin' me down
You're makin' me smile, you're makin' me frown
You're drivin' me crazy, you drive me insane
I don't wanna tell you again -

Give me your love, show me you care
Give me all of your love babe, all you can spare
I want it all, here when I call - give me your love

Give me your love, Give me your love
Give me your love, Give me your love
I want it all, here when I call - give me your love

Give me your love, Give me your love
Give me your love, love, love - Give me your love
I want it all, here when I call - give me your love
