

Lay Me Back

Alvin Lee

Lord won't you help me 'n be my friend
Lord won't you help me to understand
Lay me back and sing to me a song
Cause when them angels sing I love to sing along

Thank you for this gentle peace inside
Yes 'n thank you for another power glide
Rekon I'll take another easy ride
Cause you always leave me feeling satisfied
Singing
Na Na Na Na Na Na.
Come in make yourself at home
Na Na Na Na Na Na
Take me back where I belong
