

## Little Boy

Alvin Lee

Gonna tell this story about.....  
Give me the bass drum

When I was a little boy, I didn't know right from wrong  
I was young and innocent, It didn't last for long  
I went out to Germany -Reeperbahn and all that  
Aged five years in thirteen weeks, Now there ain't no turnin' b  
ack

Ooh, it ain't, ain't a bad world  
Ain't bad all the time  
No one will give you no gaurantees  
That you gonna like what you find

Can't forget the things you know, Can't go back in time  
Live a good life, gain experience - I'm layin' it on the line  
No, I don't claim I seen everything - But, I've had my share  
I don't understand everything, But I know it's there

Ooh, it ain't, ain't a bad world  
Ain't bad all the time  
No one will give you no gaurantees  
That you gonna like what you find

This world that I find  
Oh no, it ain't a bad world  
This world that I find  
Oh no, it ain't a bad world
