Midnite Train

Alvin Lee

Gonna get onboard that train
And ride it one more time

The train is coming on down the line
It's bringing my baby, she's mine, all mine
The train is coming on down the track
Bringin' my baby back

The train arrives at twelve-oh-ten
That's when I see my baby again
Champion's chill and I just can't wait
Gonna celebrate

Midnight train, set me free
Bring my baby back to me

Train's comin' on down the rail
Hear that lonesome whistle wail
No more lonely nights for me
Coming back to me

Midnight train, set me free
Bring my baby back to me
Baby back to me
