

One More Chance

Alvin Lee

I'm gonna give you one more chance
I'll play the music, you just dance
I'm gonna give you what I got
I'll play the music, good and hot
You just got to get it

I'm gonna blow away your blues
I'll put the rhythm in your shoes
I'm gonna make it loud and clear
I'll blow the music in your ear
You just got to get it

I'm gonna give you one more chance
I'll play the music, you just dance
I'm gonna give you what I got
I'll play the music, good and hot
You just got to get it

I'm gonna give you one more chance
I'll play the music, you just dance
I'm gonna blow away your blues
I'll put the rhythm in your shoes
You just got to get it.....ooooh....oh, yeah
Oh yeah, yeah, yeah
