

Take It Easy

Alvin Lee

Take it easy, take it easy
Take it easy, just take it easy
If you don't come right here,
Gonna tell your moma on you

Take it easy, wo babe - take it easy
Take it easy babe - yes, take it easy
If you don't come right here,
Gonna tell your moma on you

Wo yeah, wo take it easy
Wo yes, just take it easy
If you don't come right now
Gonna tell your moma on you

It's alright - yes babe, it's alright
Just take it easy babe - Yeah babe, take it easy
If you don't come right now
Gonna tell your moma on you

Slow down babe, yes take it easy
You're too cruel, so take it easy
If you don't come right now
Gonna tell your moma on you

Wo baby, pretty babe take it easy
Wo yeah, wo yeah - babe take it easy
If you don't come right now
Gonna tell your moma on you

Take It easy, yes take it easy
Take it easy babe, just take it easy
If you don't come right here
Gonna tell your moma on you
If you don't come right now
Gonna tell your moma on you - yeah !
