

## Bria's Interlude

Always Never

Even though you're all alone  
All alone when I am gone  
I just wanna keep you warm  
I'm coming back, I'm coming back  
Yes I'll be there yeah yeah  
Yeah yeah  
Yes I'll be there

Cause when I'm all alone  
I think about your face  
And how I wanna touch  
But I'm so far away  
I'm so  
All I wanna do is give you all of me now  
Are you ready  
Are you ready now?

Tell me are we different  
Baby are we going south  
I need your decision  
We've got to sort this out  
What do you think of me  
Answer me honestly  
Yeah yeah yeah  
Could it be destiny  
With you right here next to me  
Cause you get the best of me  
But I know I know this just new love  
So I'm I'm I'm

I'm aware that we just met  
I don't wanna leave you yet  
Promise that I won't forget  
I'm coming back, I'm coming back  
Yes I'll be there yeah yeah  
Yeah yeah  
Yes I'll be there

Cause when I'm all alone  
I think about your face  
And how I wanna touch  
But I'm so far away  
I'm so  
All I wanna do is give you all of me now  
Are you ready  
Are you ready now?

Are you, are you, are you?  
Ready right now? Ready right now?  
Cause when I hit the ground  
I'll meet you in town  
Ready, I'm ready right now
