

# Charged Up

Always Never

She call me "Fuego"  
Ninety-three like me  
Fire in the sheets  
Spendin' summers on the sea  
It's okay, though  
She know her way home  
Bev hill life on Rodeo, oh  
Can't stay above it  
You know what that means  
It means to me  
It means to me, oh

Everybody pile up in the Range Rover  
Push to start and I hear me on the radio  
9 AM, couldn't stop us  
9 AM, God damn, I'm charged up  
Dine an' dash, but my ring is on the table  
Jack Sparrow but I'm always in the same boat  
9 AM, couldn't stop us  
9 AM, God damn, I'm charged up

Hop in a 'Maro  
Hop up in the ride  
Driving coast to coast with a bag of cash inside  
It's okay though, know my way home  
Bread crumb trail to Montego  
Oh, oh, oh, can't stay above it  
You know what that means  
It means to me, oh

Everybody pile up in the Range Rover  
Push to start and I hear me on the radio  
9 AM, couldn't stop us  
9 AM, God damn, I'm charged up  
Dine n dash but my ring is on the table  
Jack Sparrow but I'm always in the same boat  
9 AM, couldn't stop us  
9 AM, God damn, I'm charged up

Yeah-yeah, yeah-yeah, yeah-yeah, yeah-yeah  
9 AM, God damn, I'm charged up  
Yeah-yeah, yeah-yeah, yeah-yeah, yeah-yeah  
9 AM, God damn, I'm charged up
