

## Dangerous

Always Never

Didn't mean to love you  
Didn't mean to show my hand  
And now I'm tripping over  
Something I don't understand  
This might be the end  
And I don't give a damn  
I don't give a damn

Must have thought about it a dozen times, a dozen times  
Half the time I'm only half in line, half in line  
No, I don't wanna miss your love  
But you know that it's dangerous  
Must have thought about it a dozen times, a dozen times  
Half the time I'm only half in line, half in line  
Girl, I don't wanna miss your love  
But you know that it's dangerous

And I don't mean to stare  
A little unprepared so I feel like I'm about to lose my mind  
I know I said I'm fine, but I ain't fine  
At least you know why  
At least you know why  
At least you know why

Must have thought about it a dozen times, a dozen times  
Half the time I'm only half in line, half in line  
No, I don't wanna miss your love  
But you know that it's dangerous  
Must have thought about it a dozen times, a dozen times  
Half the time I'm only half in line, half in line  
Girl, I don't wanna miss your love  
But you know that it's dangerous
