

# Intoxicated

Always Never

I can't decide if I should run or hide  
I wanna make you mine how'd you get me so damn high  
Your ecstasy is all I fuckin' need  
If it was up to me I'd be by your side

Intoxicated  
This feeling got me medicated  
No, I don't mean to complicate it  
This is something new  
Yeah, whenever I'm with you  
I just feel like I'm

Intoxicated  
This feeling got me medicated  
No, I don't mean to complicate it  
This is something new  
Oh, whenever I'm with you  
This feeling got me like

Intoxicated  
This feeling got me like  
Intoxicated  
This feeling got me like

I know we've been getting close  
And babe you feel like home  
Can't seem to take it slow  
When you're next to me  
It's like it's meant to be  
And I just can't believe  
You're by my side

Intoxicated  
This feeling got me medicated  
No, I don't mean to complicate it  
This is something new  
Yeah, whenever I'm with you  
I just feel like I'm

Intoxicated  
This feeling got me medicated  
No, I don't mean to complicate it  
This is something new  
Oh, whenever I'm with you  
This feeling got me like

Intoxicated  
This feeling got me like  
Intoxicated  
This feeling got me like
