

# Morgan Freeman

## Always Never

L-O to O-V I chased it  
Working on that part time  
Barely made enough to get me by  
I was hungry for another life  
Oh woah woah woah woah

'Cause I've been on a roll I know you see it  
I'm Getting in your head like Morgan Freeman  
This voice in your head know how you feeling  
And I ain't never stop until you believe it

'Cause I've been on a roll I know you see it  
I'm Getting in your head like Morgan Freeman  
This voice in your head know how you feeling  
And I ain't never stop until you believe it

Need to slow my roll I'm too revealing  
I'm wavy in a different way don't know this feeling  
Switching up my cup man I'm super trippin  
Had this bad girl now I have suspicions  
Oh woah oh oh  
And I ain't trying to leave this bar right now  
Like why you trying to get me in this car right now  
And why you taking pictures of me right now  
Should delete right now  
Yeah

'Cause I've been on a roll I know you see it  
I'm Getting in your head like Morgan Freeman  
This voice in your head know how you feeling  
And I ain't never stop until you believe it

'Cause I've been on a roll I know you see it  
I'm Getting in your head like Morgan Freeman  
This voice in your head know how you feeling  
And I ain't never stop until you believe it

Im falling so fast can't slow the motion  
I can't believe she hit me with that magic potion  
She standing by my side like I don't know  
Got me here drowning like I'm in the ocean  
Oh woah oh oh  
And I'm just trying to leave this place right now  
Unfamiliar faces in my face right now  
And I don't really know what to say right now  
Can't stay right now  
Yeah

'Cause I've been on a roll I know you see it  
I'm Getting in your head like Morgan Freeman  
This voice in your head know how you feeling  
And I ain't never stop until you believe it

'Cause I've been on a roll I know you see it  
I'm Getting in your head like Morgan Freeman  
This voice in your head know how you feeling  
And I ain't never stop until you believe it
