

Run Back

Always Never

I took another shot, oh no
I thought that would fix it
What a bad decision
I just want you to listen
But you won't listen no

'Cause every damn time that you call me
It's stupid early in the morning
Eyes closed, always falling
I need a break from always falling, 'cause

You know it
You know that I'd
Run back
Run back to you
You know it
You know that I'd
Run back
Run back to you
You know it
You know that I'd
Run back
Run back to you
You know it
You know that I'd
Run back
Run back to you

Catch me in the night with my guard down
You're tryna meet me here or uptown
A twenty-minute drive at this hour
I'll call you over in a lyft now

Selfish, selfish, selfish
You know that you are
But I'm not thinking straight
So come fuck with my heart
So fuck with my

You know it
You know that I'd
Run back
Run back to you
You know it
You know that I'd
Run back
Run back to you
You know it
You know that I'd
Run back
Run back to you
You know it
You know that I'd
Run back
Run back to you
Run back to you
Run back to you
