

Dandelions

Aly & AJ

Headed to Texas in a van
To play a string of shows down south
If you kicked I wouldn't know
But now it's all I think about
Told me you'll be here in May
I wonder if you'll look like me
I hope you'll thrive out in the wild
My California poppy seed

So keep on wishing on those dandelions
Turn all those sidewalk flowers into dreams
Just keep on searching for a new horizon
It's yours to reach, it's yours to reach, it's yours to reach

Ah-ah-ah-ah-ah-ah-ah-ah
Ah-ah-ah-ah-ah-ah-ah-ah
Ah-ah-ah-ah-ah-ah-ah-ah
Ah-ah-ah-ah-ah-ah-ah-ah

Another stage, a different town
You're coming into so much pain
We try to do the best we can
Try to leave it all to fate
Think when I'm back I'll need a job
Something that pays better than this
Lately the wheels are falling off
Maybe you can put 'em back on, kid

So keep on wishing on those dandelions
Turn all those sidewalk flowers into dreams
Just keep on searching for a new horizon
It's yours to reach, it's yours to reach, it's yours to reach

Ah-ah-ah-ah-ah-ah-ah-ah
Ah-ah-ah-ah-ah-ah-ah-ah
Ah-ah-ah-ah-ah-ah-ah-ah
Ah-ah-ah-ah-ah-ah-ah-ah

Now when you kick, I feel the hope (Feel the hope)
Something that brings me to my knees (Brings me to my knees)
I know you'll thrive out in the wild (In the wild, wild)
My California poppy seed

So keep on wishing on those dandelions
Turn all those sidewalk flowers into dreams
Just keep on searching for a new horizon
It's yours to reach, it's yours to reach, it's yours to reach

Ah-ah-ah-ah-ah-ah-ah-ah
Ah-ah-ah-ah-ah-ah-ah-ah
Ah-ah-ah-ah-ah-ah-ah-ah
Ah-ah-ah-ah-ah-ah-ah-ah
