

Get Over Here

Aly & AJ

It's a lonely sight, a bottle of wine
Across the TV, I stare
It's the kind of night with nowhere to be
And I don't care

I want you when it's night or day
Yeah, I can't stand it when you're away
I like when you show up this late

We've got plenty of time, I'm a little high
Hope the neighbors don't hear
It's the kind of night with nowhere to be
You and me

I want you when it's night or day
Yeah, I can't stand it when you're away
I like when you show up this late
Get over, get over here

I want you any time or place
It turns me on when you make me wait
I like when you show up this late

I want you when it's night or day
Yeah, I can't stand it when you're away
I like when you show up this late
Get over, get over here

I want you when it's night or day
Yeah, I can't stand it when you're away
I like when you show up this late
Get over, get over here

I want you any time or place
It turns me on when you make me wait
I like when you show up this late
Get over, get over here

I want you, you, you, you, you, you
I want you, you, you, you, you, you
I want you, you, you, you, you, you
Get over, get over here

I want you, you, you, you, you, you
